A COMPONENT OF THE
AMERICAN & FLORIDA DENTAL ASSOCIATIONS

NWDDA PRESENTS THE
2025

ANNUAL MEETING

HILTON SANDESTIN BEACH GOLF RESORT & SPA
MIRAMAR BEACH, FL

NORTHWEST DISTRICT DENTAL ASSOCIATION ANNUAL MEETING INFORMATION & HIGHLIGHTS

HOW TO REGISTER

Register online at nwdda.org or complete the Registration Form (on pages 10-11) and mail it to:

Northwest District Dental Association
Attn: NWDDA Events
545 John Knox Road, Ste. 202
Tallahassee, FL 32303

Please only use one method of registration to avoid duplicate records or multiple charges. Telephone and fax registration are not available.

You may adjust your registration online at nwdda.org or by calling 850.350.7162, Monday through Friday, 8 AM to 5 PM. On-site pricing will apply for all online and in-person adjustments after Feb. 14, 2025.

REGISTRATION WINDOWS

Early Bird 10/15/24 - 12/13/24
Regular 12/14/24 - 2/14/25
Onsite 2/15/25 - 3/1/25

CANCELLATION POLICY

All cancellations and/or refund requests for the 2025 NWDDA Annual Meeting must be postmarked by Feb. 14, 2025. All cancellations are subject to a service and handling fee of \$30 per cancelled registrant. Refunds are paid to the individual whose name appears at the top of the check or on the credit card used to pay for registration. Please allow up to two weeks after the meeting for refunds to be processed. Refunds for no-shows, employee terminations or sickness/COVID-19-related illnesses will not be given; however, you may transfer the paid registration to another team member. **No cancellation refunds will be honored for any reason after the Feb. 14, 2025 deadline.**

FRIDAY, FEB. 28, 5:00-6:00 PM HAPPY HOUR WITH EXHIBITORS

This isn't just another happy hour—it's your chance to discover new products, swap stories and make business connections. Stop by the FDA Services table to pick up your free drink ticket, then raise a glass, strike up a conversation and show some love to the exhibitors who help keep our association thriving! Cheers to networking made easy!

FRIDAY, FEB. 28, 7:30-9:00 PM SMILES BY THE FIRE: BEACH BONFIRE

Join us for an evening of networking under the stars at our beach bonfire! Enjoy casual conversations with fellow dental professionals, build meaningful connections over s'mores, sip on adult beverages and enjoy the soothing sound of waves as your backdrop. Plus, spouses and kids are welcome, making it a fun night for the whole family!

HILTON SANDESTIN BEACH GOLF RESORT & SPA

4000 SANDESTIN BOULEVARD SOUTH, MIRAMAR BEACH, FL 32550-4214
850.267.9500

Room Rate: \$239, which includes a \$20 resort fee. The daily resort fee includes Wi-Fi, self-parking, fitness center access, yoga classes at Serenity by the Sea Spa, transportation throughout the resort and Silver Sands, board and beach games, discounted resort activities, complimentary breakfast for kids 12 and under, and a shopping pass.

The room block deadline is Jan. 24, 2025, or when the block sells out, whichever comes first.

Parking: Self-parking is complimentary. Valet parking is \$30 per vehicle, plus applicable taxes.

Visit nwdda.org/nwdda-annual-meeting to make a reservation.

COURSES

FRIDAY SESSIONS

MS. JULIA MADDALENA, J.D.
MR. MATT ZASADA

BACK TO THE FUTURE: BUSINESS BASICS TO PROTECT & ACCELERATE YOUR PRACTICE

7:15-8:15 AM

NC01

Track: Dentists

CE Credits: 0

Local industry leaders discuss strategies to maintain the business side of your practice by getting back to basics. Key concepts covered include the latest in legal issues and financial concepts for your practice, offering beneficial strategies for dental professionals at all business stages.

This course is sponsored by

DR. ARTHUR TOMARO

BEYOND THE MATRIX: THE REAL AI IN RESTORATIVE DENTISTRY – MORNING SESSION

8:30 AM-12:00 PM*

C01

Track: Dentists

CE Credits: 3

*30-minute break with exhibitors from 10:00-10:30 AM

The morning session consists of Dr. Tomaro introducing artificial intelligence (AI), its application and its role in dentistry. Introducing AI to patients and utilizing AI with exams, diagnosis and treatment planning. Perhaps for many clinicians, patients have a clear understanding of their exam and treatment plans. Participants will have a clear image of the application in their practices, from the front desk team, hygiene and restorative. The role of AI and dental insurance: an immediate verification of coverage without a phone call for some dental insurance companies. The ultimate goal is for Dr. Tomaro to share the key to treatment acceptance. See part two in the afternoon for a full day of AI learning.

DR. PAMELA STEIN

BE YOUR OWN PILLAR OF THE EARTH: LEVERAGE THE PILLARS OF HEALTH TO IMPROVE YOUR WELL-BEING

8:30 AM-12:00 PM*

C02

Track: Team

CE Credits: 3

*30-minute break with exhibitors from 10:00-10:30 AM

This course describes the six pillars of health: nutrition, exercise, sleep, stress reduction, healthy relationships and finding joy, meaning and purpose. Research about the remarkable positive effects of certain phytochemicals in foods will be reviewed. Food superstars and practical ways to increase consumption of the healthiest foods will be discussed. Attendees will learn about the power of adequate sleep to enhance health and cognition and improve tactile skills as a dentist. Exercise will be discussed regarding daily movement and play with suggestions for making movement fun and sustainable. Realistic small steps to increase daily activity will be provided. Proven strategies to reduce stress will be discussed, including the role of healthy relationships. The speaker will lead participants through an evidenced-based, stress-reducing mindfulness exercise, which participants can record and use whenever they want. Each participant will receive a "Purpose and Joy" journal.

MR. CHAD DUNN, ESQ.
MR. CODY SHORT, ESQ.

A FEW GOOD MEN PRESENT ... LEGAL CARE GUIDE ON LITIGATION & LICENSURE INVESTIGATIONS

12:00-1:30 PM

NC02

Track: Dentists

CE Credits: 0

This course provides an in-depth exploration of legal and regulatory issues affecting dental healthcare professionals. Attendees will gain a comprehensive understanding of malpractice litigation (including the legal principles), case studies and defense strategies involved in medical malpractice claims. They will also analyze the interplay between malpractice, FDA Peer Review and board discipline; identify steps to take if facing a lawsuit or licensure investigation; and identify strategies for minimizing litigation risk. **Lunch is included.**

This course is sponsored by

DR. ARTHUR TOMARO

FROM TERMINATOR TO TOOTH REPAIR: THE ROLE OF AI IN RESTORATIVE DENTISTRY – AFTERNOON SESSION

1:30-5:00 PM*

C03

Track: Dentists

CE Credits: 3

*30-minute break with exhibitors from 3:00-3:30 PM

The afternoon session will concentrate on the application of AI to clinical dentistry, the visualization of AI and its accuracy in restorative and periodontal disease treatment, coverage and an update of materials and techniques for the entire clinical team.

DR. INDRANEEL "NEEL" BHATTACHARYYA

THE GOOD, THE BAD AND THE UGLY: ORAL PATHOLOGY FOR DENTAL PROFESSIONALS

1:30-5:00 PM*

C04

Track: Team

CE Credits: 3

*30-minute break with exhibitors from 3:00-3:30 PM

This course will cover the molecular and clinical characteristics of oral pre-malignancy and oral cancer, taking participants through the basic biologic and clinicopathologic concepts of these very important and serious oral lesions. The course will simplify the myriad molecular information on these topics and highlight the major clinical variations and prognostic considerations for these lesions.

SATURDAY SESSIONS

MR. PAUL MURPHY

DON'T SPEED THROUGH CYBERSECURITY: ESSENTIAL STRATEGIES TO SECURE DATA!

7:15-8:15 AM

C05

Track: Dentists

CE Credits: 1

The threat of cyberattacks looms large, particularly for businesses handling sensitive data. Learn strategies for securing data from potential cyberthreats so your dental practice has knowledge and tools to safeguard patients' health information. Topics include proactive prevention measures, cyberattack trends, risk-mitigation strategies and knowing how to respond effectively in the event of a cyberattack. Through interactive discussions and case studies, attendees will learn actionable steps, such as incident response protocols and crisis management strategies. Explore best practices for containing a breach, preserving evidence and minimizing impacts on operations and patient trust.

Gain firsthand knowledge from an expert who has dealt with cyberattacks and explore real-world cyber incidents in dental practices. Explore the importance of comprehensive cyber liability insurance in mitigating a cyberattack's financial and reputational fallout. Learn how to assess and select the right insurance coverage.

This course is sponsored by

DR. FAROKH JIVEH

ALMOST FAMOUS: HOW DENTAL PHOTOGRAPHY CAN CHANGE YOUR LIFE

8:30-10:00 AM

C06

Track: Dentists

CE Credits: 1.5

As dentists, we can repeat the same routines and procedures, not knowing there is a new world of "light" out there! Photography brings a fresh perspective for seeing things and introduces an apprehensive patient to a fun, calming, appealing and attractive environment. In addition to enhanced patient education, legal documentation, laboratory communication and diagnosis, dental photography opens an incredible world of beauty and adventure. Learning clinical photography can lead to a journey in portrait and landscape photography.

Learn the basic settings of your camera, how photography can inject a new life into your practice as well as how to take stunning photos and create an excellent standard of care. Discover how to connect with patients and become familiar with the camera for clinical, documentation and portrait photography. This class promises an opportunity to develop a culture of excellence for your patients.

COURSES

SATURDAY SESSIONS *continued*

DR. FAROKH JIVEH

A BEAUTIFUL LIFE WITH BEAUTIFUL DIRECT COMPOSITE VENEERS

10:30 AM-12:00 PM

C07

Track: Dentists

CE Credits: 1.5

This course provides an in-depth look at direct composite placement techniques, emphasizing simplicity and natural aesthetics. Participants will master layering, shading and contouring for lifelike veneer restorations, as well as surface texturing and anatomical design. The course also focuses on accurate shade matching and translucency control, including framing and staining techniques. Additionally, it covers the diagnosis and treatment of Class V restorations, equipping participants to use direct composite veneers effectively for abfractions.

MS. MICHELLE STRANGE, RDH

CONTAIN THE CONTAGION: WOULD YOU PASS AN INFECTION CONTROL AUDIT?

8:30 AM-12:00 PM*

C08

Track: Team

CE Credits: 3

*30-minute break with exhibitors from 10-10:30 AM

This course focuses on the critical aspects of infection prevention in dental settings. Similar to how diners seek a food safety grade in a restaurant, patients deserve assurance about infection prevention. Baristas undergo food safety training; likewise, dental professionals must be equipped to handle infectious risks. The course will cover inspection guidelines from the Centers for Disease Control and Prevention in addition to essential topics for maintaining a safe environment. By the end of the course, dental professionals will be well-versed in infection prevention measures and better equipped to provide their patients with a sense of security regarding their dental care.

NWDDA MEMBER BUSINESS MEETING LUNCHEON

12:00-1:30 PM

\$55

NC03

Audience: NWDDA Member Dentists

CE Credits: 0

Join us for the NWDDA Member Business Meeting Luncheon, where networking meets valuable association updates! Learn about the latest initiatives from the NWDDA and vote on changes to bylaws. Don't miss this chance to shape the future of the NWDDA. A formal agenda will be sent to the NWDDA membership 30 days before the meeting. **NWDDA members only, please.**

MS. MICHELLE STRANGE, RDH

DIAL M FOR ... MEETING PATIENTS WHERE THEY ARE: ON THEIR PHONES!

12:00-1:30 PM

\$55

C09

Track: Team

CE Credits: 1

This presentation explores the transformative impact of teledentistry on the dental industry, leveraging technology to enhance accessibility and patient engagement. Despite dentistry being traditionally hands-on, teledentistry offers a range of benefits which enable remote diagnosis, care and communication with patients. Emphasizing its role in shaping the future of dentistry, the presentation highlights the importance of adapting to meet patients' evolving needs and preferences. Through these objectives, attendees will gain a comprehensive understanding of teledentistry's capabilities and potential impact on the future of dental practice. They will be empowered to explore innovative ways to integrate teledentistry into their services, providing patients with greater accessibility and personalized care on their smartphones. **Lunch is included.**

MS. AMANDA HILL, RDH

AVENGERS ASSEMBLE! ELEVATING COMMUNICATION AND CLINICAL EXCELLENCE IN DENTISTRY

1:30-4:45 PM

PM01

Track: Team

CE Credits: 3

Effective communication and staying ahead of clinical advancements are vital for success in modern dentistry. This course merges the art of patient and team interaction with the science of cutting-edge clinical care. Attendees will learn how to recognize personality types, enhance communication and apply emotional intelligence in their practices to improve case acceptance and team collaboration. Additionally, they will explore the latest dental innovations, mastering how to communicate their value to patients and team members. By the end of this course, participants will be equipped with the tools to elevate both their clinical outcomes and practice culture.

MS. NICHOLE M. PIETERS, MS, RN, CEN, CPHQ, CPPS, CPHRM

GUARDIANS OF OUR DENTAL GALAXIES: PREVENTION OF MEDICAL ERRORS

1:30-3:30 PM

RM1-4

Track: Dentists and Team

CE Credits: 2

This lecture will address basic patient safety strategies, Florida-specific requirements and common dental risk and liability sources. It will also include dental closed claims data, case studies, audience participation and some humor. Just because this is a mandatory course does not mean it cannot be fun! This lecture satisfies the Florida Board of Dentistry's continuing education requirement for medical errors.

DR. JASON BUSCHMAN

OLD SCHOOL, SAFE CONCEPTS: PRESCRIBING CONTROLLED SUBSTANCES IS NO JOKE

3:30-5:30 PM

OP1-2

Track: Dentists

CE Credits: 2

In the process of safe prescribing of controlled substances, it is important to understand options available to the practitioner to control perioperative pain. This course will specifically focus on: 1) Proper use of local anesthetics - classes, doses, metabolism, etc. 2) Pharmacology and mechanism of action for analgesics used in managing acute dental pain. 3) Evaluation of the intended role of opioid and non-opioid analgesics. 4) Best practices for prescribing analgesics. 5) Identifying for the potential of opioid addiction and treatment thereof.

This lecture satisfies the Florida Board of Dentistry's continuing education requirement for Safe and Effective Prescribing of Controlled Substances.

Dental degree, University of Nebraska College of Dentistry; associate professor and director of the Residency Program in Oral and Maxillofacial Pathology, University of Florida College of Dentistry.

FAROKH JIVEH

DDS, MSD

Dental degree, Virginia Commonwealth University School of Dentistry; past president, Florida Academy of Cosmetic Dentistry; clinical and course director, Palm Beach Dental Academy; private practice, Royal Palm Beach, FL.

JASON BUSCHMAN

DDS, MED

Bachelor of Science in Biology, Truman State University; dental degree and OMS certificate, The University of Oklahoma; Master of Education, Cameron University; clinical assistant professor, University of Florida.

JULIA MADDALENA

J.D.

Bachelor of Arts, University of Central Florida; Juris Doctorate, Florida State University College of Law; Member, Hand Arendall Harrison Sale.

CHAD DUNN

ESQ.

Bachelor of Science in Business Administration, University of West Florida; Juris Doctorate, Florida State University College of Law; partner, Pennington P.A.

PAUL MURPHY

Account executive, Imaging Sciences; vice president of sales, Black Talon Security LLC.

AMANDA HILL

BSDH, RDH, CDIPC

Bachelor of Science in Dental Hygiene, Old Dominion University; registered dental hygienist; author for *RDH Magazine*, *Inside Dental Hygiene*, *Infection Control Today*, *Dentistry Today*, and *Dr. Bicuspid*.

NICHOLE PIETERS

MS, RN, CEN, CPHQ, CPPS

Bachelor of Science in Nursing and Master of Science in Healthcare Services Leadership and Management, University of Maryland; certified emergency nurse; certified professional in healthcare quality; certified professional in-patient safety; patient safety risk manager, The Doctors Company's Southeast Region.

CODY SHORT

ESQ.

Bachelor of Science in Political Science, Florida State University; Juris Doctorate, Mercer University's Walter F. George School of Law; shareholder, Pennington P.A.

ARTHUR TOMARO

DDS

Dental degree, University of Michigan School of Dentistry; Master of Biology and Histology, University of Michigan.

PAMELA STEIN

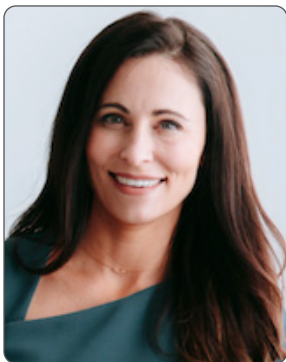

DMD, MPH

Doctor of Dental Medicine degree and Master of Public Health degree, University of Kentucky; founding dean and professor, University of Pikeville College of Dental Health; professor, University of Kentucky College of Dentistry and College of Public Health.

MATT ZASADA

Bachelor's degree in Business Administration, University of Southern Mississippi; Master's degree in Tax Accounting; Certified Public Accountant licensed in Florida.

MICHELLE STRANGE

MSDH, RDH

Bachelor's degree in Health Science, Medical University of South Carolina; Master of Dental Hygiene Education; owner, Level Up Infection Prevention.

CE VERIFICATION

The Northwest District Dental Association (NWDDA) is approved as a continuing education provider by the Florida Board of Dentistry (BOD). Continuing Education (CE) verification is automatically provided for all attendees. To receive CE credit for course attendance, attendees must scan their badge upon entering and exiting each course. The system will calculate the time an attendee was present and award credit appropriately. Per the BOD, to receive 1 hour of CE credit, attendees must be present in a course for at least 50 of the 60 minutes.

Attendees will be emailed their CE certificate automatically by March 3, 2025. All verified course attendance will be automatically submitted for Florida-licensed attendees to CE Broker on their behalf no later than April 1, 2025. Your

CE certificate will list all registered verified courses attended; however, credit will not be reported to CE Broker for non-credit (NC) course codes. Verified course attendance for NC courses will be listed as zero hours on your CE certificate.

SCIENTIFIC PROGRAM DISCLAIMER

The NWDDA makes every effort to present high-caliber speakers in their respective areas of expertise. The speakers in no way imply endorsement of any product, technique or service presented during these presentations. The NWDDA expressly disclaims responsibility for any material presented. In addition, participants must always be aware of the hazards of using limited knowledge to integrate new techniques or procedures into their practices. Only sound, evidence-based dentistry should be used in patient therapy.
